Notes on the Rule of 6

Childrens parties are classed as social gatherings under Covid 19 rules and therefore the maximum of 6 children apply, as the facilitator I am excluded from this number. Should all parents drop their child at the studio and pick them up again

following social distancing rules then the maximum of 6 can be applied. However if you are going to be having food etc at your home prior to or after the party and will be collecting or dropping off the children then you and any people in your home will need to be factored into the rule of 6.

The Studio

My purpose built studio is based at the rear of our home 71 Woodacre, Portishead, BS20 7EH. This has it's own entrance which backs onto Pier Road, Portishead.

Aprons are provided however children do get messy and I cannot guarantee that the clothes won't get paint on them so please bear this in mind when dressing them.

We do have a toilet and basin on site but please ask children to use the toilet before they arrive as once one goes they all want to go!!
